

New Look, New Label, New Improvements

What's New

Increased size, clear-cut directions & reminders, and relevant warning labels makes patient safety a priority.

Our work affects lives every day. As your trusted pharmacy services partner, our goal is to deliver the very best in patient care. To that end, we have designed a new innovative label design that is unique, visually appealing, professional and most importantly, puts patient safety first. The new labels will be implemented **May 2014**.

Our Mission

A safe and effective medication process for the patients we serve
