

ERIN HEWITT, PHARM D.

CONSULTANT PHARMACIST

Get to know Erin

Erin's decision to devote her pharmacy career to the service of the elderly was prompted by the role a medication issue may have played in the death of her beloved grandmother. She's driven by a passion for patient safety, and especially loves helping residents achieve their health care goals. She and her husband have one child and two Labrador retrievers, and enjoy traveling, berry picking and fly fishing. Erin is a frequent volunteer with Friends of the Children, a Vital Life Foundation partner charity.

Erin's Credentials

More than seven years of retail and long-term care pharmacist experience

Special expertise in aging and dementia, and certification in Cardiovascular Disease Risk Management

Earned a Doctor of Pharmacy degree from Butler University in Indianapolis, Ind.
