

MANUELA PERKINS R.PH., BCGP, BCACP

CONSULTANT PHARMACIST

CONSONUS HEALTHCARE—PHARMACY/WASHINGTON

Manuela grew up in a village of only 10,000 people in northern Italy, and was the first college graduate in her family. After practicing community pharmacy in her native country, she pursued specialties in geriatric and ambulatory care pharmacy in the United States, and has been with Consonus since 2011. She works closely with client facilities to facilitate pharmacy operations and ensure compliance—all with the ultimate goal of improving patient care.

Manuela has 15 years pharmacy experience in both Italy and the United States. She is a board-certified geriatric pharmacist and ambulatory care pharmacist. Manuela's education includes a Doctor of Pharmacy-equivalent degree from the University of Padua in Italy—the world's fifth-oldest surviving university.
