Meet Your Team

Jessica Giron, R.N.
Pharmacy Nurse Consultant

GET TO KNOW JESSICA

The spark for Jessica's nursing career came in high school as she watched the loving and attentive hospital staff care for her seriously ill grandmother. Her wide-ranging long-term care experience – she started as a CNA and has served as a Director of Nursing and Quality Assurance Nurse – helps her link the clinical side of pharmacy to the day-to-day nursing processes. She sees herself as an educator, a "second pair of eyes", and a partner who helps client facilities better serve their residents.

The Consonus Consulting and Leadership Team is made of seasoned and professional pharmacists, nurses, and long term care professionals. Together we strive to be a valued part of your team. We partner with our client facilities and communities to offer the very best for our residents.
