Charles Huckabay, Pharm.D.
Consultant Pharmacist

GET TO KNOW CHARLES

It's a rare combination—a pharmacist with three black belts in taekwondo—and Charles brings the same level of focus and expertise to keeping long-term care residents safe, and free from unnecessary medications. He thrives on the challenge of overseeing drug therapy, and enjoys working with physicians to maximize its effectiveness. A part-time actor, Charles' favorite movie is Star Wars—which explains the cat named Princess Leia.

The Consonus Consulting and Leadership Team is made of seasoned and professional pharmacists, nurses, and long term care professionals. Together we strive to be a valued part of your team. We partner with our client facilities and communities to offer the very best for our residents.
