Courtney Louie, Pharm.D.

Pharmacist Consultant

GET TO KNOW COURTNEY

With her father, aunts and grandfather all being pharmacists, Courtney grew up in the profession. Her previous experience working in out-patient pharmacy at Oregon Health and Science University included time serving the elderly, and further nurtured her love for senior care residents. Now at Consonus, her responsibilities include consulting with client facilities and reviewing patient charts for safety, efficacy and compliance. "I appreciate how Consonus embraces change, adapts to the future and motivates me as a pharmacist to operate at the top of my license," she says.

The Consonus Consulting and Leadership Team is made of seasoned and professional pharmacists, nurses, and long term care professionals. Together we strive to be a valued part of your team. We partner with our client facilities and communities to offer the very best for our residents.
