Meet Your Team

Jonell Hutsell, Pharm.D.

Consultant Pharmacist

GET TO KNOW JONELL

For Jonell, the discovery that she loves to help sick folks get better came as a teen, with the illness of a favorite cousin. Though her career started in pharmaceutical research, a desire to talk to people instead of monkeys led her to become a pharmacist. Now as a consultant, she's a key line of defense that helps keep residents safe and clients in compliance with changing regulations. When she's not working, she's probably treasuring every moment with her husband and three children.

The Consonus Consulting and Leadership Team is made of seasoned and professional pharmacists, nurses, and long term care professionals. Together we strive to be a valued part of your team. We partner with our client facilities and communities to offer the very best for our residents.
