Kathy Morsett, Pharm.D., CGP

Consultant Pharmacist

GET TO KNOW KATHY

As far back as high school, Kathy knew she wanted to be a pharmacist, and in college felt herself drawn to serve the geriatric population. She takes particular pride in eliminating unnecessary medications, and in providing high-quality education and advice that maximizes therapeutic outcomes for the residents and facilities she serves. She and her husband love to travel internationally or to seek new adventure backpacking, and she's an avid piano and guitar player.

The Consonus Consulting and Leadership Team is made of seasoned and professional pharmacists, nurses, and long term care professionals. Together we strive to be a valued part of your team. We partner with our client facilities and communities to offer the very best for our residents.
