GET TO KNOW MINOO

Minoo calls herself the “CSI of meds”—unraveling medication mysteries and uncovering possible adverse reactions. While still a child, she was drawn to the profession by watching her pharmacist uncle make a difference for those in need. Now she’s doing the same, helping keep residents safe and thriving while following her number one mantra—live the life you want.

The Consonus Consulting and Leadership Team is made of seasoned and professional pharmacists, nurses, and long term care professionals. Together we strive to be a valued part of your team. We partner with our client facilities and communities to offer the very best for our residents.
