Consultant Pharmacist

## GET TO KNOW TERI

Teri has served the pharmacy profession for more than 20 years, including 10 years as lead pharmacist in a retail setting. As a Consonus consultant, her greatest reward is in working with facilities and residents to monitor medications, lower costs, improve quality of life and avoid adverse drug reactions. Areas of particular expertise include pain management, antibiotic use and medication challenges unique to the geriatric population. She and her husband have one daughter, and enjoy skiing, snowmobiling and horseback riding.

The Consonus Consulting and Leadership Team is made of seasoned and professional pharmacists, nurses, and long term care professionals. Together we strive to be a valued part of your team. We partner with our client facilities and communities to offer the very best for our residents.
