**CONSONUS HEALTHCARE WELCOMES NEW VP OF STRATEGIC DEVELOPMENT**

**MILWAUKIE, Ore. – July 26, 2016 –** [Consonus Healthcare](#) is excited to announce the recent hire of Laurie Thomas and proudly welcomes her to the position of VP of strategic development. Operating for over 25 years, Consonus Healthcare provides consulting, rehab, pharmacy and post-acute care transformation (PACT) services in more than 300 facilities nation-wide.

Prior to joining Consonus, Laurie applied her strong leadership and strategic thinking within the public healthcare market for 30 years. Throughout this time, she gained valuable experience in both hospital and post-acute services including management of operations, sales and administrative support departments.

“What drew me to Consonus was the proactive vision and analytical approach they bring to pharmaceutical services and long-term care. Building meaningful relationships and serving as a trusted advisor to their clientele is at the core of what they do, and it makes them an industry leader,” commented Laurie, “This is exactly the kind of forward-thinking team and environment that I want to be a part of. I’m excited to align my knowledge and experience with Consonus’ elevated skill set.”
