

5 Reasons to get the COVID-19 Vaccine

IF THE COVID-19 VACCINE WORKS FOR OTHERS,
WHY DO PEOPLE CARE IF I GET ONE OR NOT?

REASON #1

Less chance for the virus to mutate.

REASON #3

Protect those around you (like vulnerable seniors).

REASON #5

Increase quality of life by preventing future lockdowns and restrictions.

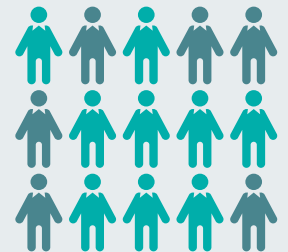

REASON #2

Alleviates burden on the healthcare system.

REASON #4

Stop further outbreaks in your community.

Ready to get vaccinated? Contact your facility Administrator or Director of Nursing today to sign up!
