

DID YOU KNOW?

You Can Get Your COVID-19 Vaccine Here!

We know how important it is to visit your loved one. To make it easier, we're offering COVID-19 vaccines for life enrichment visitors...that's you! Visitation regulations are mandated based on facility vaccination rates and community outbreaks. When vaccine participation rates are high and county positivity rates are low, we all win. Let's end isolation and focus on safe visitations among vaccinated individuals.
