

With the introduction of vaccine lotteries, PPE requirements based on vaccination rates, and various state requirements for facility reporting, Consonus Pharmacy has had an influx of requests to look up new admission and new employee's vaccine status. There are several ways that communities or an individual can look up their vaccination record. Of course each state is slightly different, so we put together this reference guide for your convenience.

**Q.** My facility utilized Consonus Pharmacy for COVID vaccine clinics, can we look up vaccines that were given at our clinic?

**A.** Yes. You continue to have access to the Consonus Vaccine Application Software. You can look up a vaccination record within the software.

**Q.** Can an individual request their vaccination record through the state?

**A.** Yes. Some states have developed portals for look up, while other have forms that can be submitted. Please see below for the various state resources:

#### Arizona

Submit [Request Form](#) to [ASISHelpDesk@azhs.gov](mailto:ASISHelpDesk@azhs.gov)

#### California

Fill out the [Request Form](#) for Digital COVID-19 Vaccine Record  
Request electronically: [CAIRs Request Form](#)

#### Nevada

Fill out the [WebIZ Registration Form](#) to look up through Nevada WebIZ Public Portal

#### Oregon

Younger than 18: Submit the [Parent/Guardian Record Request Form](#) to [alertiis@state.or.us](mailto:alertiis@state.or.us)  
18 and older: Submit the [Adult Request Form](#) to [alertiis@state.or.us](mailto:alertiis@state.or.us)

#### Washington

Electronically through MyIR. To gain access fill out the [MyIR Registration Form](#)  
Official vaccination request. Please fill out the [WA Immunization release form](#)

Other ways that individuals can obtain their vaccination records are:

- Contact the location where their vaccine was administered
- Request a complete vaccination record from their healthcare provider.

Q. Can a facility request access to Immunization Information System (IIS) to look up vaccination records if need be?

A. Yes. Each state has various requirements for gaining access to the IIS system. Please see information below on applying for read only access within your state.

#### Arizona

Submit [ASIS Enrollment Form](#) to [ASISHelpDesk@azdhs.gov](mailto:ASISHelpDesk@azdhs.gov)

#### California

County: Greater Sac, Bay Area, Central Valley, Central Coast, LA-Orange, Inland Empire.  
Register through [CAIRs Immunization Registry](#)

County: Alpine, Amador, Calaveras, Mariposa, Merced, San Joaquin, Stanislaus, and Tuolumne  
[Complete Provider Agreement and submit to \(RIDE\)](#)  
[Complete User Access request and submit to \(RIDE\)](#)

#### Nevada

Request View-Only Access to look up official records by completing the [WebIZ View Only Confidentiality Agreement](#) form and submitting to Nevada WebIZ.

#### Oregon

- Read the [Confidentiality Policy](#)
- Complete [Individual User Agreement](#)
- Read through the "Query Only Training" PDF and complete the quiz at the end of the document. [Training/Quiz](#)
- Submit the quiz answer sheet along with the new user enrollment paperwork to [alertiis@state.or.us](mailto:alertiis@state.or.us)

#### Washington

Complete [View Only Sharing Agreement](#) and submit to Washington State Department of Health.
