

AGESTRONG

SUPPORTING SENIOR LIVING COMMUNITIES

Cononus Healthcare is proud to introduce a rehabilitation, wellness, and educational program that offers concierge services to help your current residents age in place and attract future residents.

DEDICATED REHAB DIRECTOR

- Customized program development, clinical value, and marketing services throughout the community

CONTINUITY THROUGH CONTINUUM

- Local therapists to follow patients from skilled care to IL and AL
- In-home assessments
- Carryover of Cononus clinical programming including Stand Strong, Chronic Conditions, and Cognitive Disabilities Model

WELLNESS PROGRAMMING

- Collaborative enhancement of wellness package offerings
- Vitality tune-ups to reduce hospitalizations

TRUSTED ADVISORS

- Health Education Talks
- Health Fairs with individual fitness screenings
- Access to industry leaders in Rehab, Pharmacy, and Nurse Consulting

MARKETING AND ADMISSIONS SUPPORT

- Increase community foot traffic on campus
- Attract prospective future move-ins
- Community name recognition through Vital Life event participation
