

ERIC MURK

GENERAL MANAGER—OREGON

CONSONUS HEALTHCARE - PHARMACY

Eric's extensive senior care background includes 20 years in facility operations, with 15 as a skilled nursing administrator and five as an assisted living administrator. He brings proven leadership skills and first-hand knowledge of what clients and patients expect of their trusted pharmacy partner.

As general manager for Consonus Pharmacy in Oregon, Eric is responsible for managing all operations, with a focus on driving quality and revenue, streamlining processes and developing customer relationships. "I help ensure we always have the people and resources we need to function safely and effectively, and to maintain our high standard of excellence," he says.

Eric graduated from Oregon State University with a Bachelor of Science degree in Health and Human Sciences, and has lived in the Northwest since the 1980s. Outside of work, he loves to travel, exercise and cook, and especially enjoys learning how to prepare foods from any culture. He describes himself as a lifelong tinkerer who thrives on home improvement projects, working on old cars and "fixing things my wife and two children break."

With a passion for causes that support and celebrate the elderly, Eric has been actively involved with Meals on Wheels People and the Alzheimer's Association. He's also an active supporter of the Vital Life Foundation and its mission to help seniors live the best, rest of their lives.
