

STEVE FOGG

CHIEF FINANCIAL OFFICER

MARQUIS COMPANIES / CONSONUS HEALTHCARE

Steve Fogg's long-term care career technically began 25 years ago as a bookkeeper in a skilled nursing facility, but his affection for seniors started long before. As part of a four-generation family of pioneering Oregon senior care providers, he grew up enjoying long hours with facility residents.

Steve has been Chief Financial Officer for Marquis Companies and Consonus Healthcare since 2001. A skilled financier who has closed more than \$250 million in transactions over the course of his career, he's strengthened the companies' financial positions and accounting practices, given strategic guidance and nurtured relationships with lenders, suppliers, insurers and regulators.

After graduating from Portland State University with a degree in Business Administration, Steve took an accounting position with Prestige Care, eventually working his way to becoming its Chief Operating and Financial Officer. During his tenure, the company grew to 42 skilled nursing and assisted living facilities.

Steve is a recognized expert on industry issues such as property valuation, risk management and reimbursement methodology. He's a past president and current vice chair of the Oregon Health Care Association, and serves both as a board member of the Lewis and Clark Risk Retention Group and on the Idaho Health Care Association Reimbursement Committee.

Volunteer involvement includes board member positions with Our House of Portland, the Oregon Health Care Foundation and the Vital Life Foundation. The rest of Steve's free time is usually spent driving racecars, playing golf and spending family time with his wife and two daughters.
