

JESSICA ANDROFF, PHARM.D., BCGP
PHARMACY PRESIDENT
CONSONUS PHARMACY

As Pharmacy President, Jessica is responsible for the operational and financial success of all Consonus pharmacy locations, and for driving a culture of patient safety, lean execution and strategic vision. “Every single day, we have the ability to make decisions that make a positive difference in someone’s life,” she says. “It’s incredibly rewarding to see the positive outcomes, and it constantly challenges us to do even better.”

Early in her career, Jessica made the move from retail pharmacy to a family-owned regional long-term care pharmacy provider—and has been serving seniors ever since in a wide range of leadership roles. “My North Star has always been patient care,” she says, “and this was where I felt I could make the most positive impact.” She’s passionate about providing enthusiastic patient advocacy and redefining the customer experience.

Jessica holds a Doctor of Pharmacy degree from the University of Minnesota College of Pharmacy. She and her husband have two children, and especially enjoy spending time at their cabin by a Minnesota lake. Active in her community, she’s a board member at Moms and Neighbors, and is board treasurer for Soccer Booster Club. She also serves on the board of the American Society of Consultant Pharmacists.
